

THE COMPLETE GREEN LETTERS

by

Miles J Stanford

Five of Miles Stanford's best loved classic works have been collected together into this one volume. These five books form the foundational core of Miles Stanford's life works. His exposition focuses upon the doctrine of sin and sins and the doctrine of salvation contained in the Apostle Paul's Epistles, and the experiential side to the Christian's growth in grace. Without this basis, the Christian will fall short of genuine spiritual growth
